Turn on while in premises (No Late Arrival or Movement)	Press # and MAXIMUM (4)	Perimeter On & Interior Sensors On - No Delay
Turn Off	Press your code and OFF (1)	View your display for open zones (To clear display repeat same function)
Door Chime On/Off	Press your code and CHIME (9)	Chime sounds if protected point is opened (To turn chime off repeat same function)
By-Pass a Zone or Zones	Press your code and BY-PASS (6) Press zone number/s of the zone/s	Temporarily removes zone/s from system

Accidental Alarm
1-800-801-8236 outstate
952-346-8922

If you should accidentally trip your alarm, turn system off first with your code and OFF (1) key. The central station will call you and you will need to volunteer your code word. This will cancel the alarm. If no answer, they will attempt the first number on your call list, prior to dispatching the police. If no answer on the second number attempted, the police will be dispatched.
